is the creative powerhouse behind some of the highest-grossing and most enduring mobile games. Jam Cityâ??s global franchise Cookie Jam has generated more than half a billion dollars, and Panda Pop has more than 120 million downloads to date. The company also is the go-to studio for Hollywood, having developed immersive, narrative-rich mobile games around iconic entertainment brands. The companyâ??s popular RPG game Harry Potter: Hogwarts Mystery was the #1 game in more than 40 countries at its launch in April 2018. Jam City has nine studios located in Los Angeles (HQ), Berlin, Buenos Aires, BogotÃ¡, Burbank, Cedar Falls, San Diego, San Francisco, and Toronto.Please mention the word **SURREAL** and tag RMzQuMjIzLjEwNC4xMjA= when applying to show you read the job post completely (#RMzQuMjIzLjEwNC4xMjA=).
