

Business Operations Lead

Description

About Weâre building Omni: a platform allowing developers to deploy applications across all rollups without fragmenting liquidity. Weâre looking for founding team members to help us bring this ambitious vision to life. Weâre a team who already built a platform that processed over \$70M leading to our \$18M fundraise from top investors including Pantera, Two Sigma Ventures, Coinbase Ventures alongside angel investors including Stani Kulechov (founder of Aave), Sandeep Nailwal (cofounder of Polygon) and more. If you are looking to join a passionate, motivated team to help create software that levels the playing field for people across the globe join us at Omni. Weâre building a future that re-centers the individual in the internet.

IMPORTANT REQUIREMENTS FOR THE ROLE

The candidate MUST BE located in UAE, Singapore, Cayman Islands, or British Virgin Islands. We are seeking to hire outside the US at this time so US persons should not apply. This is a remote, salaried role, but given its strategic nature, expected workload shouldnât exceed 20h a week.

Responsibilities:

- Translate partnersâ analysis into business recommendations for Omni directors
- Drive execution of business operations and regulatory initiatives
- Source and manage partnerships
- Support key operational functions (HR, finance, payments)
- Become a key person in the implementation, performance and documentation of internal controls.

The candidate must be:

- Analytical thinker:** be able to evaluate opportunities from a pragmatic and numbers driven perspective.
- Highly reliable & responsive:** many opportunities are time sensitive and the candidate should be able to reason through problems and make decisions within 24 hours of strategic decisions being proposed.
- A good communicator:** maintain consistent and concise communication with Omniâs directors and partners to ensure proper, and timely operations of the organization
- Operationally excellent/ well organized:** Ensure operational activities remain on time and quality
- An owner:** Actively pursue strategic and operational objectives

Requirements:

- Bachelorâs degree (or equivalent) in operations management, business administration, or related field
- Three or more years of proven experience in a business operations management role
- Fluent in English
- Interest and experience within cryptocurrencies and blockchain technology
- Knowledge of general business software and an aptitude for learning new applications

We are a mission driven company. We believe deeply that through software engineering we can build a self-sovereign society. In our day to day, we make decisions based upon our company values of Individual Autonomy, Long-Term Orientation and Open Access. The future belongs to all of us, independent of our origins. Omni is an equal opportunity employer and does not discriminate on the basis of race, religion, color, sexual orientation, gender or any other status protected under federal, state or local law. Please mention the word ****PLUSES**** and tag **RMzQuMjEzLjQ5LjE3OQ==** when applying to show you read the job post completely (**#RMzQuMjEzLjQ5LjE3OQ==**).
