## Senior Accounting Manager

### Description

**The Role:** We are seeking a detail-oriented and experienced accounting senior manager to join our growing Immunovantâ??s Accounting team. As Senior Accounting Manager, you will play a vital role in supporting the accounting close process and own specific areas of responsibility, ensuring that the accounting operations are running smoothly. This role reports directly to the assistant controller and offers an excellent opportunity for a motivated individual to contribute to our Company's success.

**Key Responsibilities:**

- Perform general accounting functions and take ownership of various accounting areas.
- Responsible for maintaining SOX controls for areas of responsibility.
- Support the internal and external reporting requirements to ensure timely and accurate financial reports for management, investors, and regulatory compliance.
- Conduct financial analysis to identify and explain trends and variances.
- Collaborate with cross-functional teams to provide financial insights that support R&D and G&A activities.
- Ensure compliance with accounting standards, regulations, and tax requirements.
- Assists with the quarterly review and annual audits by independent auditors.
- Continuously identify opportunities to streamline processes and improve financial operations.
- Special projects as needed.

**Requirements:** Bachelor's degree in Accounting. CPA License preferred. Minimum of 7 years of progressive experience in finance and accounting roles, including few years in public accounting (big four). Solid understanding of GAAP, financial reporting, and regulatory compliance. Proficiency in financial software and ERP systems; experience with NetSuite is required and Coupa is preferred. Experience with Power BI, Power Automate and Power Query is a plus. Excellent analytical and problem-solving skills. Strong communication and interpersonal abilities, with the aptitude to collaborate effectively across departments. High level of integrity, attention to detail, commitment to accuracy and ability to manage multiple priorities.

**Work Environment:** Remote-based Dynamic, interactive, fast-paced, and entrepreneurial environment Domestic or international travel are required (20%)

**Compensation:** Compensation is based on several factors, including market location, and may vary depending on job-related knowledge, skills, and experience. Equity, sign-on bonuses, and other forms of compensation may be provided as part of a total compensation package, in addition to a full range of medical, dental, vision, 401k, and other benefits, including unlimited paid time off and parental leave. The annual base salary for this position ranges from \$150,000-165,000.
