

Territory Manager

Description

Company Overview Farmers Business Network (FBN) is on a mission to power the prosperity of family farmers and rural communities around the world, transforming how the world farms with an integrated, technology-enabled agricultural platform. We offer high ROI farm inputs, fintech and sustainability products and services powered by network data, and farm-tested insights from our global farmer community. Our platform helps FBN members make confident decisions to ensure the economic viability of their farms, while also empowering them to be a part of the solution as the global community confronts its most pressing issues: providing food security for a growing population, transitioning to more sustainable agriculture, and responding to climate change. We are a dynamic, innovative, and mission-driven AgTech company that offers competitive compensation and benefits as well as boundless career mobility. We are backed by top investors, including Fidelity, ADM, Google Ventures, Kleiner Perkins, DBL Partners, T Rowe Price and Temasek. We have been featured in these articles by the Wall Street Journal and Forbes, and were also named "One of the 50 Most Innovative Companies in the World" by Fast Company Magazine.

OVERVIEW OF POSITION Candidate must reside within the Territory in Southern Alberta (Calgary, South). We are looking for talented, multi-skilled individuals who can fit into our fast-paced company culture. We are a passionate, collaborative team of farmer-focused individuals who wake up every day emulating the farmer ethos of honesty, integrity, commitment and hard work. The individual assigned to this position will work with farmers and Community Builders in the network to help them procure critical crop inputs, such as crop protection products and biostimulants. Territory Managers help recruit, train and manage territory Community Builders. This role supports a predetermined territory and market area in Southern Alberta and will recruit farmers to join the network in person and through electronic means. Territory Managers will also help farmers access FBN Direct a revolutionary way for growers to purchase crop inputs that provides farmers with price transparency on hundreds of products and a way to source low-cost chemicals delivered straight to the farm. FBN Direct has saved thousands of dollars for hundreds of farmers through its offerings. Finally, the FBN Territory Manager is critical to the commercialization process for new products and services being launched on a regular basis.

RESPONSIBILITIES The FBN Senior Territory Manager will be responsible for recruiting farmers and maintaining high grower satisfaction with FBN. They will also provide a seamless and highly differentiated crop input transaction experience while maintaining high grower sanctification with FBN from post-harvest conversations all the way to pre-season delivery. This includes, but is not limited to, the following activities:

- Achieve chemical sales goals (gross profit, revenue, etc.)
- Recruit, train and develop Community Builderâ's to adequately cover the assigned territory
- Understand a growerâ's crop input needs throughout the season and forecast based on the seed and chemical projected sales/product needs.
- Develop a territory business plan to achieve objectives
- Work with each Community Builder to build a Revenue & Action Plan that defines the goals and sets expectations for the working relationship
- Lead product demonstrations and presentations to Community Builders and farmers
- Promote the collection of (chemical/seed invoices and tags) data from farmer to build a successful crop protection and seed plan customized to the farmerâ's needs
- Use Salesforce to manage, prioritize, and document all interactions and sales processes with Community Builders and farmers
- Organize and manage sales events within the territory
- Document and report suggestions from Community Builders and farmers for process improvement
- Represent FBN at various farm industry trade shows/events
- Educate Community Builders and Farmers how to
