is a plus.Our Technology Stack:Terraform / ArgoCD / Crossplane.io for resources management.AWS as our Cloud Provider.Kubernetes through AWS EKS as our container orchestrator.Argo Events and Argo Workflows for internal pipelines.Vault project for secrets and password management.Prometheus and DatadognWho we are: Luxury Presence is the real estate industry's most powerful marketing platform, providing award winning websites and cutting edge tech to the worldâ??s top agents. Founded in 2016 by Stanford Business School alumni Malte Kramer, Luxury Presence currently serves over 9,000 clients in the U.S. and Canada with its SaaS model â?? including over 20 of the top 100 WSJ real estate agents and teams. In addition, Luxury Presence is the official website partner to some of the industry's most powerful brokerages. The Los Angeles-based SaaS company raised $25.9 million for its Series B round and recently announced $19.2M Series B-1. Bessemer Venture Partners led the round alongside fellow existing investors Toba Capital and Switch Ventures. Former Dallas Mavericks basketball player Dirk Nowitzki also participated in the round, along with other angel investors. Its solutions include stunning website design, an engaging home search tool, an agent-to-agent listing referral network, powerful content & SEO strategies, expert-lead social media management, and digital advertising for lead generation. In 2020, Luxury Presence was recognized as a Best Place to Work by BuiltinLA and by Inc. as the 322nd fastest growing private company in America and then again in 2021 â?? LP ranked 598th. Luxury Presence is an Equal Opportunity Employer. All qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.Please mention the word **FAITHFUL** and tag RNDQuMTkyLjE4LjE1NQ== when applying to show you read the job post completely (#RNDQuMTkyLjE4LjE1NQ==).
