

## Senior Software Engineer

### Description

At River, we are committed to building financial solutions that power a transparent and efficient global economic system made possible by Bitcoin. To that end, we have built leading Bitcoin brokerage and custody products to keep our clients ahead of the curve. We aim to bring premier Bitcoin banking solutions that offer a full array of financial services to our clients. We are looking for a senior candidate who is comfortable across the entire web stack and has experience building and maintaining production systems at scale. This person will be building features that our clients use every day. Our web stack consists primarily of Elixir (Phoenix and LiveView) with Postgres for data storage. River is headquartered in Columbus, OH, and has raised more than \$50 million from leading investors, including; Goldcrest, Kingsway, Polychain, M13, DG, and Valor. What you will be doing Architect and develop new features and products in the Elixir codebase powering our web applications and API Work closely with product management to plan and scope new projects and initiatives Write high-quality, tested code Participate in code-reviews Help shape the culture of the engineering organization for years to come What we look for in you 4+ years of experience in software engineering You have designed, built and maintained production services at scale and understand how to build reliable systems You write high-quality, reliable code and take ownership of systems you work on You have experience developing solutions to ambiguous problems You're excited about what we are building at River You have a solid understanding of web security fundamentals Nice to have Fintech experience You have worked with Elixir, Kubernetes, Postgres You have worked at a rapidly scaling company Interest in Bitcoin Location & Salary 100% remote option available within the Americas and Europe, with offices in SF, NYC, and Columbus Salary range between \$150,000 - \$220,000 based on skills and experience Significant equity stock options Medical, Dental and Vision Benefits Unlimited PTO Parental Leave separate from regular PTO policy 401k Please mention the word **\*\*UNBEATABLE\*\*** and tag `RMTUxLjk1LjIzNS4xNQ==` when applying to show you read the job post completely (`#RMTUxLjk1LjIzNS4xNQ==`).
