

Financial Crime Analyst

Description

Are you part of the digital money world? Do you want to change forever the way people think about money? If your skills align with our vision, and you want to join an innovative company, please send your CV and start a fintech career with Wirex! ABOUT US We're Wirex, and we're not like anyone else. Why? Because we always do things our way, before anyone else does them. We like creating the first ever debit card that lets you pay with crypto, making it easier for ordinary people to access DeFi-powered savings and setting up the world's first cryptocurrency rewards scheme. Our vision is a world in which everyone can enjoy the benefits of digital currency everything from the power to send money around the world near-instantly without breaking the bank to buying, storing and exchanging 40+ top tokens on a secure, easy-to-use platform at some of the best rates in the industry. We must be doing something right, because more than 5 million people across 130 countries are helping to change the world by using Wirex.
