

## New Jersey Licensed Child Adolescent Therapist Psychologist FT

### Description

Join Our Team as a Contract Therapist at Fort Health At Fort Health, clinicians are the heartbeat of our company. We're dedicated to providing you with an enriching job experience, empowering you to deliver exceptional care to our patients. If you're passionate about making a meaningful impact and want to be part of a dynamic healthcare startup committed to expanding access to high-quality mental health care for children and families, we want to hear from you! About Fort Health Fort Health is a mental health company on a mission to âopen more paths to better care for more familiesâ. We're all about making a real difference in the lives of children and adolescents. With a whopping 50% of kids in the US missing out on mental health care, we are determined to change that statistic. And with a market size of over \$50 billion, we are not just dreaming big – we're making it happen! Our Vision Picture this: a world where every child has access to the support they need to thrive mentally and emotionally. With the help of our amazing partners, like the Child Mind Institute, we're creating a one-of-a-kind support system that combines digital tools with virtual clinicians. Because at Fort Health, we believe âwe're stronger togetherâ. What We Offer Competitive Compensation: \$85 per 55-minute session, with paid no-shows and late cancellations. Professional Development: Benefit from weekly paid supervision during the initial 4-6 weeks, ongoing consultations with our clinical leadership, and access to weekly group supervision, case consultations, team meetings, and various professional development opportunities. Cutting-Edge Resources: Access consultation and resources from our non-profit partner to integrate cutting-edge treatment protocols, ensuring the highest standard of care for our clients. Flexible Scheduling: Provide a minimum of 5 sessions per week after school hours (3:00 PM – 8:00 PM) Monday to Friday, with weekends as optional. Collaborative Environment: Work closely with our clinical team to develop personalized treatment plans and actively involve parents/caregivers to drive treatment goals forward. Remote Work: Enjoy a 100% remote work environment with meaningful touchpoints with the team. Work from anywhere in the US! Supportive Culture: Join a supportive peer network with access to clinical support and consultation from experienced leaders. What Youâll Be Doing Deliver high-quality, evidence-based 1:1 therapy tailored to the unique needs of children, teenagers, and their families. Collaborate closely with the clinical team to develop personalized treatment plans for each client and their family. Actively involve parents and caregivers in treatment sessions to foster collaboration and drive the treatment plan forward. Access consultation and resources from our non-profit partner to integrate cutting-edge treatment protocols and methods into your practice, ensuring the highest standard of care for our clients. Complete and sign patient notes within 24 hours. What We're Looking For Licensed Clinicians: Licensed Psychologist (PhD, PsyD), LCSW, LMFT, LPC, or LMHC licensed to practice in New Jersey (multiple state licenses preferred). Clinical Experience: 3+ years of clinical experience working directly with children, teenagers, and families, with expertise in evidence-based treatments such as CBT, ACT, and DBT. Telehealth Experience: Experience in delivering telehealth services. Strong Communication Skills: Exceptional verbal and written communication skills, enabling seamless collaboration within a multi-disciplinary team and effective engagement with stakeholders. Technical Requirements: Access to a reliable, high-speed internet connection (50 Mbps download, 10 Mbps upload). Credentialing: Active NPI and established CAQH credentialing, with existing credentialing with major insurers. Salary Range: \$70,000-\$85,000 Monday – Friday 3:30pm – 8:30pm ET Saturdays & Sundays 8:30am – 4:30pm ET 23 Clinical hours must be after 3:30 pm to meet the demand of our clients after school hours.
