

## Financial Planning and Analysis Intern Fall 2024

### Description

About Super.com We started Super.com to help maximize lives – both the lives of our customers and the lives of our employees – so that everyone can experience all that life has to offer. For our employees, our promise is that Super.com is more than just a job; it's an opportunity to unlock one's potential, where learning is celebrated and impact is realized. We are more than a fast-paced, high-growth tech company; we care about our people and take career progression seriously. This is your career and our aim is to supercharge it through the people, the work, and the programs that fuel who we are.

About the Role We are looking for a FP&A Intern to join Super's growing Finance & Strategy team. The FP&A intern will work closely with our FP&A team in a fast-paced startup environment across various projects designed to uncover key insights into the business.

Challenges You'll Solve

Strategic Thinking: You will look at all areas of our business to grasp the whole picture

Financial Acumen: Analyze financial and operational results to improve forecasts and inform decision making

Analytical Experience: Conduct financial analysis, build dashboards and reporting, dive deep into understanding data.

Business Acumen: You will use a strong, analytical mindset, attention to detail and critical thinking skills to perform a variety of analyses (both quantitative and qualitative), conducting research, querying and analyzing data, and making recommendations.

About You

You are a post-secondary student, studying in Finance, Business, Math, Statistics, Economics, Accounting or a related field (ideally with 1-2 terms of experience)

You have a passion for numbers, data, spreadsheets, and attention to detail

You have a strong work ethic with a desire to contribute to a fast growing start up team

You are a critical thinker & problem solver with a natural curiosity to challenge the status quo

You have the ability to learn quickly and a desire to continuously learn throughout the internship

We've Got You Covered

Compensation: we pay our Interns top-of-market \$300 One-time home office set up allowance \$25/Week UberEats allowance on Fridays \$300/Term Learning and Development allowance \$120/ Term Fitness/Wellness allowance

Top Talent: work with the best in the world, including Engineers and Leadership from Google, Facebook, Wish, YouTube, Uber and more.

Build Something Great: most importantly, build a product used by millions around the world – have ownership, have impact, and do great work.

We Believe in Equal Opportunity We are an equal opportunity employer and value diversity at our company. We do not discriminate on the basis of race, religion, color, national origin, gender, sexual orientation, age, marital status, veteran status, or disability status. Accommodations are available on request for candidates taking part in all aspects of the selection process. If needed, please notify our Talent Acquisition Partner.
