

Product Manager

Description

Flossy: Transforming Dental Care, One Smile at a Time Flossy is a dental marketplace startup with a clear mission: to make high-quality dental care accessible and affordable for everyone. We're a passionate team of healthcare professionals, technologists, and innovators united in our frustration with the high cost of dental insurance and the confusing process of finding a dentist. In this fast-paced, collaborative environment, you'll be the product champion for our dental marketplace's supply side. You'll partner with engineers, designers, sales, and account managers to develop and implement innovative tools and programs that empower dental offices to manage appointments seamlessly, optimize the patient experience, and ultimately deliver exceptional care. Join us as a Product Manager and play a pivotal role in shaping the future of our dental marketplace platform!

What You'll Do:

- Product Vision Champion:** You'll be a strategic contributor, working closely with product leadership to translate product vision and roadmaps into actionable plans.
- User Experience Advocate:** With a focus on patient and dentist needs, you'll work with design and engineering to craft intuitive and user-friendly experiences on the Flossy platform. Testing and iterating based on user feedback will be key!
- Execution Expert:** Partnering closely with engineering, you'll manage deadlines, prioritize tasks, and collaborate across teams to bring features to life.
- Balance Data and Intuition:** Data & A/B testing fuel your decisions, but your product sense ensures the best outcomes. Working with the product leadership team, you'll use those insights to continuously enhance the Flossy platform.

The ideal candidate is:

- Tech Savvy and Curious:** You're always online, absorbing trends and staying ahead of the curve. Your insatiable curiosity fuels your product vision.
- Strategic Planner:** You excel at formulating clear objectives and developing plans that achieve long-term goals.
- Team Builder:** You build strong relationships and keep everyone on the same page through clear and thoughtful communication.
- Eager to Contribute:** You're a quick study with a can-do attitude. You're excited to roll up your sleeves and make a real impact.

Core Qualifications* 2 years of product management experience is a must. A background in healthcare, consumer tech, or marketplaces is a major advantage.* Experience leading cross-functional teams and pairing closely with engineers. Strong analytical skills, including a command of A/B testing.* Exemplary communication, presentation, and organizational skills.* While a bachelor's degree is preferred, we're most interested in candidates with a strong foundation in product management principles, analytical skills, and a passion for user experience.

Benefits* 100% Medical, Dental, and Vision* Flexible PTO (take the time you need) + 10 company holidays* Equity ownership in the company* Opportunity to work on a mission-driven startup* Chance to make a real impact on the lives of our users

At Flossy, base pay is one part of your total compensation package. The US base salary range for this full-time position is \$110,000 to \$140,000 + equity + benefits. Our salary ranges are determined by role, level, and location.
