MMORPG Community Steward

Description

Who we are Game7 is an Autonomous GameFi Institution whose treasury is managed and deployed by the community. Our mission is to make web3 gaming sustainable by accelerating the industry towards collaboration, unified standards, open source innovation and having fun.To achieve this, both BitDAO and Forte have committed $500m to our treasury. Our community then helps decide how to deploy strategic capital towards both Investments and Grants that help drive the ecosystem forward.As a community, we are passionate about crypto, gaming and are comprised of industry leaders and blockchain experts, who believe there are better ways to build distributed organizations. Our community consists of diverse, talented and intelligent members whoâ??s contributions to the ecosystem help define their governance capabilities.Weâ??re looking for the next generation of leaders and doers who have a passion for crypto and are looking to influence the future of DAOs, DeFi, Web3 and GameFi. If youâ??re a self-starter, believe in autonomy and ownership, then we encourage you to apply for this role.About this teamThe Community Steward for Ironworks will serve as a crucial member of the Game7 core team, focusing exclusively on building a vibrant and engaged community surrounding our upcoming game launch, Ironworks. The mission is to cultivate an inclusive and active ecosystem where players thrive, build meaningful connections and contribute to the overall success of Ironworks. Your Role Collaborate closely with the team to build and customize the server infrastructure to accommodate anticipated user activity. Collaborate with the IW, community and marketing teams to grow the reddit in both engagement and size Regularly evaluate moderator performance and provide feedback to ensure alignment with Ironworks's community standards. Collaborate with the Governance Steward to spearhead community-ledinitiatives specifically tailored to Ironworks. Organize and host regular town halls, AMA sessions, and other community events tailored to Ironworks. Provide valuable insights and feedback to contribute to Ironworks's overall community roadmap. Outcomes Cultivate a thriving and engaged community surrounding Ironworks, marked by increased player participation, positive interactions, and sustained growth. Effective collaboration with different departments to address Ironworks community needs and implement successful solutions. Well-coordinated community events and initiatives led by the Ironworks team and community members, contributing to the overall vibrancy of the game's community. Your Craft Proven experience as a Community Manager or similar role in the gaming industry, preferably with experience in launching and managing communities for MMORPGs. In-depth knowledge and understanding of Discord and community management tools, with a focus on tailoring strategies for specific game communities. Strong leadership and communication skills, with the ability to effectively represent the Ironworks community internally and externally. Experience managing and coordinating online events and initiatives, with a focus on engaging and retaining players. Familiarity with MMORPGs and gaming ecosystems, with a passion for and understanding of the dynamics of online gaming communities. Competencies Community Building: Demonstrated ability to create and nurture a sense of belonging within a community, fostering positive interactions and inclusivity. Collaboration: Proven experience working collaboratively with cross-functional teams, particularly with other community stakeholders. Communication: Excellent verbal and written communication skills, adept at conveying complex ideas to a diverse audience. Strategic Thinking: Ability to contribute to the development and execution of strategic initiatives for community growth within the web3 context If you think you have valuable experience to bring to the organization, but donâ??t necessarily meet all of the criteria for the role, we still want to hear from you. We consider all applications.Why work with us?We do things a little
