

General Applications

Description

Founded in 2019, Cake DeFi is a leading decentralised finance services provider and Southeast Asia's fastest growing fintech platform. "We Do Crypto. You Do You." – Our vision is to become a one-stop platform for all crypto users to get easy access to DeFi and Web3 services. To date, more than 1 million users from over 190 countries trust us to manage over \$1 billion in assets. We are a profitable, cashflow positive private rocket ship that's just getting ready for take-off. Join us. If you're passionate about the space, believe in our team principles, but don't see a role that fits your skills, use this job posting to leave us with your CV and cover letter! We want to transform and decentralise finance with tomorrow's technology. This is where you come in. Join a company that is at the forefront of bleeding-edge innovations in blockchain and DeFi. You will be empowered to push boundaries and think out of the box. You will get to work with a bunch of ridiculously motivated and talented people. And most importantly, you'll have fun. The best places to work at, are often also the most fun to work at. That's us. We hire based on merit, fit, and strong alignment to our culture. Our culture is defined by 7 team principles: Integrity, Resourcefulness, Ownership, Meritocratic Decision-making, Customer Obsession, Radical Candour, and Passion. These 7 principles guide our company, our people, and our work. At Cake DeFi, our culture is our pride. It has been instrumental to our success, so we are steadfast in our commitment to it. We welcome you to add to it. Please mention the word **RAPT** and tag RMTA3LjE3OC4yMDAuMjA0 when applying to show you read the job post completely (#RMTA3LjE3OC4yMDAuMjA0). This is a beta feature to avoid spam applicants. Companies can search these words to find applicants that read this and see they're human.
