Technical Content Engineer Intern

Description

This is a 6-month full-time remote internship (June to Dec 2024)Please apply only if you're available full-time for the entire duration, starting from 15th June 2024. About HackerRank: At HackerRank, we help over 2,500 of the most prestigious logos across industries find, hire and upskill amazing developer talent using our SaaS-based Developer Skills Platform. We pioneered and continue to lead the developer skills market with the ethos of â[?][?]Skills over Pedigreeâ[?][?]. Everyone at HackerRank is passionate about the mission and we are looking to add smiling faces to help us â[?][?]Accelerate the Worldâ[?][?]s Innovationâ[?][?] by making skills matter more the pedigree. You will be working on: Writing top-notch code and creating interview questions for other skilled engineers to tackle. Developing internal processes, tools, and systems to help manage content effectively. Solving problems methodically and efficiently. Keep stakeholders in the loop weekly and seek validation for your ideas. We are looking for: Strong skills in organising and managing content. Experience in coding competitions. Solid problem-solving abilities in algorithms and data structures. Excellent communication skills, both written and verbal. A knack for clear and structured thinking. A positive, self-motivated attitude. Life as an intern at HackerRank: World-class mentors, great culture amazing people and opportunities to make a difference all in a real-world scenario and right at the beginning of your career! If this sounds exciting, read on… Each one of you will be paired with a mentor, who will support you throughout your internship. Transparent communication is the key metric binding all of us here. Youâ[?][?]ll have access to all the information needed including the companyâ[?][?]s progress every week directly from the Executive team. Youâ[?][?]ll have direct access to all employees in the company and can always challenge the status quo enabling you to be more data driven. Whether you're graduating and seeking a full-time position after your internship, or hoping to return for another internship next year, you'll be considered for a returning offer during your internship. You get to design your internship page with your batch. Glance through the previous yearsâ[?][?] pages 2014, 2015, 2016, 2017, 2018 winter, 2018 summer, 2019 winter, 2019 summer, 2020 winter, Indy 2020 winter, 2021 winter, 2021 summer and 2022 winter.
