

Independently Licensed Therapist Pennsylvania

Description

The Role: We are looking for a compassionate Licensed Therapist to support our mission in democratizing access to high-quality mental health care! Cerebral takes a holistic and comprehensive approach when providing care for our patients. Our telemedicine therapists collaborate with prescribers as needed, to support clients during their mental health journey. This therapist role provides direct care for a panel of clients and allows for flexibility when client sessions can be scheduled. You can see clients during traditional business hours, evenings, or on weekends. This position is a 1099 independent contract role. Current state license requirements include Alabama, Maryland and/or Pennsylvania. Who you are: Independently Licensed Therapist in the United States for any of the following license structures: Professional Counseling, Marriage and Family Therapy, or Clinical Social Work You are licensed and in good standing in at least one state; multiple states licenses preferred Master's degree in social work, counseling, marriage and family therapy, or equivalent Experience in diagnosing mental health disorders in accordance with the DSM-5 criteria Maintain a strong evidence-based clinical skill set while practicing & implementing outcome-focused care Empathetic and intuitive listening Strong verbal and written communication Knowledgeable in crisis response Comfortable working autonomously in a telemedicine environment Tech-savvy with the ability to navigate various systems & tools with ease (this includes, but is not limited to Google Workspace, Slack, proprietary EMR, etc.) Passionate about our mission of improving access to high-quality mental health care An entrepreneurial spirit or previous experience within a startup or fast-paced environment is preferred How your skills and passion will come to life at Cerebral: Conduct therapeutically sound sessions with clients weekly or bi-weekly for 45 minutes (cadence dependent on the client's plan) Provide anywhere from 15-40 hours of weekly availability Create your own flexible schedule based on your individual availability! Scheduled time must fall within the hours of 6:00am to 11:30pm per your specific timezone Work collaboratively with prescribers who are managing your clients' medication, in tandem with therapy services you are providing Work alongside other like-minded clinicians that have a common goal to positively impact the lives of others, and create an environment that leads to favorable outcomes for clients What we offer: Mission-driven impact: Shape the future of the #1 largest and fastest growing online mental health care company in the world Build a platform that is improving the lives and well-being of hundreds of thousands of people Join a community of high achievers who have a passion for promoting mental health Path to develop & grow: Readily available psychiatrists and clinician leadership for case consultations to ensure you always receive the support you need Access to innovative technology to support you in delivering the highest quality of care to your clients Access to UpToDate for continued education (free CEU offering) Remote-first model: Flexibility to choose the hours and schedule that work best for you Work virtually from anywhere in the United States Culture & connectivity: Highly-responsive and supportive team of clinical and operational management Decreased administrative time for clinicians through ongoing technology improvements and automations Fully integrated, data-enabled EMR with embedded clinical decision support, monthly prescriber metric reports, and task management system Opportunity to participate in strategic development initiatives to improve our clinical quality and safety and/or clinical processes across the organization Please mention the word ****REJUVENATED**** and tag **RMjQuMTQwLjIwNS4xMTA=** when applying to show you read the job post completely (**#RMjQuMTQwLjIwNS4xMTA=**).
