

Mandarin Community Manager

Description

Monad Labs is the team building Monad, the performant and parallel EVM Layer-1 blockchain. We are a team of systems engineers and community builders who are on a mission to help crypto eat the world. After recently raising \$225M in series A funding, we are growing our team. The Role Monad Labs is looking for a Remote Mandarin Community Manager. As the Community Manager, you will forge an engaged, interconnected group of Monad superfans in your region. Your efforts will define the Monad Mandarin Community, and ensure that it is seen as one of the best and most exciting local crypto communities. The ideal candidate is creative, charismatic, and passionate about creating real, long-lasting digital communities.

What Youâ€™ll Do: Own the public facing regional communication across all channels Create an entertaining and high quality experience across all community platforms Activate the community towards business objectives, events, and support marketing efforts in the region Encourage and facilitate community organization and initiatives Identify, triage and escalate all regional inbound

Who You Are: Socially aware, organized and detail-oriented, self-sufficient; can effectively manage up and independently prioritize Deeply crypto native, with a good understanding of the social and technical landscape, along with connections in the Mandarin/Cantonese crypto community Excellent verbal and written communication skills, including the ability to navigate potential language barriers Humorous & witty, with a proven ability of capturing attention through memes, tweets, and writing. Have an innate eye for design and the ability to bring creative ideas to life Enjoy connecting and collaborating with people across global time zones

Requirements: 1+ years of community experience: Previous ownership or management of a community Experience within a Mandarin crypto project Comfortable working off-hours, and adapting to flexible schedules as per community requirements Enthusiasm for Monadâ€™s mission and interest in the crypto space

Why Work with Us? Youâ€™ll work on extremely challenging problems with massive impact Youâ€™ll work with and learn from a small, exceptional community and regional team Youâ€™ll shape the regional culture both internally as an early employee and externally with community- and ecosystem-oriented events Your work will be deeply impactful, setting the foundations for regional expansion for all business units.
