

# Software Engineer

## Description

The Infrastructure Team is solving significant internal engineering challenges as we expand from processing thousands to millions of loans, at more and more lending organizations, and over an increasingly large part of the lifecycle of each loan. We are engineers who care deeply about shipping the best experience possible the first time. The challenges we face are highly technical and highly impactful for other engineering teams in the company! We are looking for engineers who are passionate about self service infrastructure, service mesh, performance, security, and scalability. We are looking for a strong collaborator who is willing to work with platform development teams to understand their needs, design solutions that fulfill their immediate needs but that also establish good patterns for long-term scalability. Note: This is a remote position, but it would be ideal if you can come to the Mexico City office if needed. How you'll contribute: Collaborate with platform development and security teams to understand their needs Enable teams to fully own the lifecycle of their services Work on our internal service deployment tool that sits on top of Kubernetes Build tools to enable developer productivity Who you are: You have a Bachelor's degree in Computer Science, Engineering, or a related field 5-7 years of experience building high-quality production software Proficient in a modern programming language like Go or TypeScript/Node.js Are interested in testing, automation, container orchestration and scheduling Excellent communication skills for collaborating with other teams Bonus Points: Experience with AWS / GCP Experience with Kubernetes Have a good understanding of MongoDB and Postgres Experience with Terraform Benefits and Perks: Relocation & Sign On Bonuses (If Applicable) Private Medical via Allianz Blend Contributions to Mexican Social Security Prima (Vacation Bonus) Aguinaldo (Christmas Bonus) Food Voucher/Meal Allowance (\$2,000 pesos/month) On-Site Parking 12 weeks Maternity & Paternity Leave Generous Paid Time Off 11 Paid National Holidays Please mention the word **\*\*AGREEABLY\*\*** and tag RMzQuODYuMTYzLjE1Mg== when applying to show you read the job post completely (#RMzQuODYuMTYzLjE1Mg==).
