

Revenue Growth Director Nigeria

Description

The Marketing team is the driving force of customer acquisition and retention in the company, playing a critical role in meeting growth targets across multiple geographies. We are now seeking a dynamic and results-driven Revenue Growth Director for Nigeria, responsible for spearheading our customer acquisition, with the goal of cementing our place as a top player in the Nigerian remittance market. This role is pivotal in driving our revenue targets and managing the P&L for the Nigerian market, while being the voice of the market within the company. Hereâ??s what youâ??ll be doing as Revenue Growth Director, Nigeria Revenue and P&L Ownership: Lead revenue-generating initiatives for the send to Nigeria hub, responsible for hitting aggressive new customer acquisition targets, and with accountability for the market's P&L. Market Strategy Development: Craft and implement a comprehensive go-to-market (GTM) strategy that aligns with TransferGoâ??s overall objectives, tailored to the Nigerian market's nuances. Cross-functional Collaboration: Represent the market with internal teams such as product, operations, compliance, banking & infrastructure, and customer service to identify gaps causing friction in market growth, prioritise them, and secure necessary support. Partnership Development: Identify and establish strategic partnerships to enhance market presence and revenue opportunities for Nigerians based in Europe. Community Engagement: Spearhead community engagement efforts to build brand loyalty and drive word-of-mouth referrals via online and offline channels. Team Leadership: Expand the Nigeria team, managing the marketing manager and adding additional high-impact new roles that will accelerate market growth. Data-Driven Insights: Utilise market data and customer insights to inform strategies and decision-making, ensuring alignment with customer needs and market potential. Performance Reporting: Regularly report on market performance, insights, and strategic adjustments to senior leadership. Youâ??ll report to our Chief Marketing Officer. Hereâ??s what weâ??d love from our new Revenue Growth Director, Nigeria: 10+ years of experience as a Country Manager or Country/Regional Revenue Lead, leading marketing and business development, with a proven track record in the financial services or consumer space for the Nigerian market. Strong leadership skills, with experience leading a small, high-performance GTM team. Deep understanding of the Nigerian financial services market, regulatory environment, and consumer behaviour. Exceptional strategic thinking, with the ability to translate insights into actionable growth strategies. Excellent communication and collaboration skills, capable of working effectively with cross-functional teams and external partners in a global team. Data-driven mindset, with strong analytical and problem-solving abilities. Bachelor's degree in Business, Marketing, Finance, or related field. MBA or equivalent is a plus. Ability to be both strategic and executional, with a hands-on mentality. Experience at managing budgets, aligning with finance team, and being both bold and responsible in equal measures. And if you can also do this stuff, even better: Experience in international money transfer to Nigeria. A strong network among organisations and businesses serving the Nigerian community in Europe or supporting migration. Regional Africa experience outside of Nigeria as well.
